Wood Coach House Doors

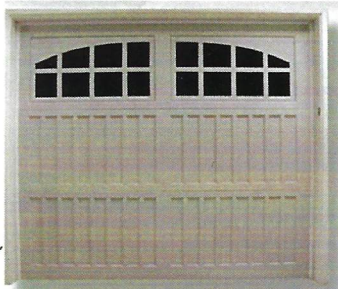

Paint Grade Series

Built with hemlock solid wood frames, these stunning coach house doors are built to last. The man-made flush cladwood panels are uniform in appearance and extremely durable.

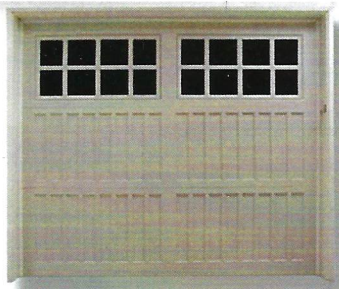

Most styles are also available in a raised panel design.

All top section decorative window inserts are routed out of 1/2" exterior MDF and can be backed with various types and colours of plexiglass/real glass.

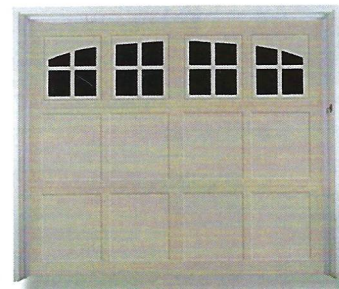

Square and arched real mahogany top sections also available.

Solid Wood Stain Grade Series

MAY ALSO BE PAINTED

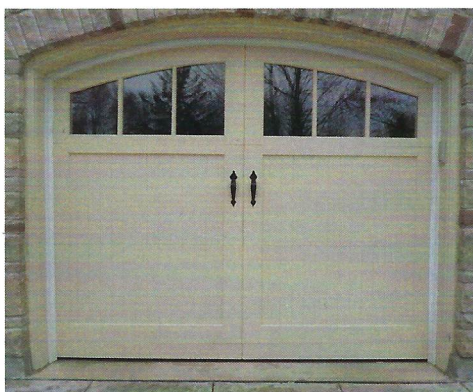

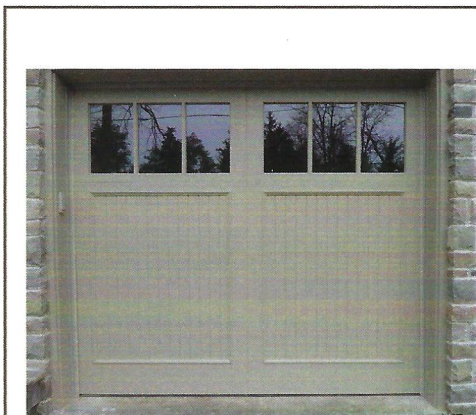

Model 513

Manufactured with solid raised mahogany panels and either square or custom arch mahogany top sections. Frames are made from solid hemlock lumber.

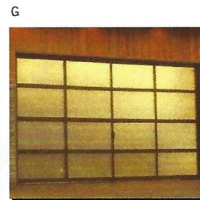

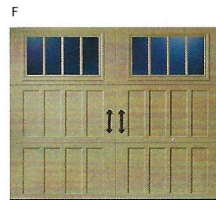

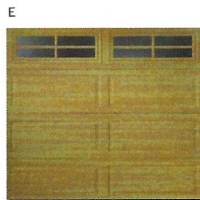

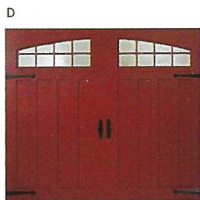

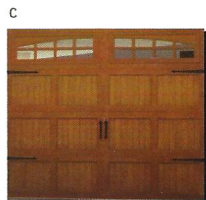

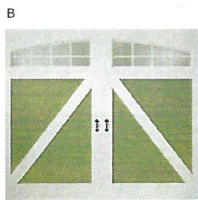

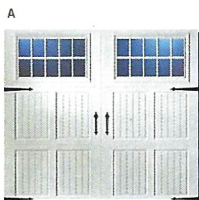

Model 514

Manufactured with tongue and groove cedar vertical strip inlay. Doors are supplied insulated on the inside half of the garage door panel. All models available with Plex-Glass - double diamond single pane or thermal pane glass windows.

Design-a-Door

Custom doors are available with your choice of several different species of wood glued to the exterior skin of a fully insulated steel sectional garage door and custom built to match your drawing.

Numerous styles of maintenance free steel, fibreglass or aluminum sectional doors available in a variety of stained and solid colours.
